### Pep Boys Board Awards Two College Scholarships

Two scholarships for children and employees of the Pep Boys of California were awarded this week by the board of directors of the Pep Boys of California Educational Foundation.

Miss Helaine Davine of Culver City, whose father is a salesman at the Manchester Boulevard store, and William E. U'Ren of Orange, whose father is a district manager, received the two grants.

The scholarships may be awarded to a high school senior or a college student and are not restricted as to the field of study. The grants may be renewed annually.

The Pep Boys Educational Foundation was established this year to assist in the financing of higher education for worthy men and women who are children of Pep Boys employees. Winners must have been accepted for admission to an accredited college or university in the United States at the time of the award.

### Scout Troop 2292

Girls from Scout Troop 2292 spent a weekend at Camp Osgood at Ft. MacArthur, San Pedro, enjoying hikes, cook outs, and a camp fire circle.

Girls who participated in weekend activities included: Vickie Andrade, Vickie Egnatuk, Penny Shannon, Norine De Prez, Debbie Van Lingen, Rosemary Smith Nancy and Susan Barcus, Cathy Polechetti, Barbara Allen, Linda Lytle Jackie Fink, Kathy Bunic, Rosemarie Gunther, Teresa McElroy, Barbara Baer, and Mary Lee Cowan.

Chaperones for the weekend were Mrs. E. M. Shannon and Mrs. I. Donohue.

Before packing their camp and leaving the girls hiked to the post Chapel for mass Sunday morning.

### Area Groups Help Drive For Crusade

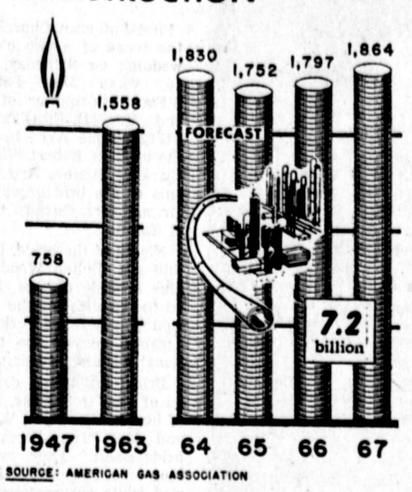

Blitz campaigning for the United Crusade has been done by several local organizations, according to Mrs. Kenneth Uyeda, Torrance chairman. The blitz tactics are used to insure coverage of all residential areas in the city.

Harbor area USO volunteers and the area staff director, Dick Wickland, led the campaign one evening, while members of the Torrance-Lomita Red Cross board of directors spent one evening pushing doorbells.

PTA members, church groups, and other community organizations also have joined the campaigns to give every resident an opportunity to give to United Crusade, Mrs. Uyeda said.

Mrs. Uyeda asked residents who might have been missed to mail their contributions to the Crusade headquarters, 390 W. 7th St., San Pedro.

### GAS INDUSTRY CONSTRUCTION

The nation's gas industry will spend \$7.2 billion during the next four years on construction of new production, transmission, distribution, storage and general plant facilities. In the 1960-63 period, the outlay was \$6.7 billion.

### City History Guides Placed In Libraries

Copies of the new "History of Torrance," a resource guide for teachers in the Torrance Schools, have been placed in each of the branch libraries serving the city.

The guide will be used by third grade teachers for the teaching of local history. The guide was the work of school district personnel, the Torrance League of Women Voters, many pioneer residents, and numerous civic and community organizations.

Trustees of the school district authorized the donation of the five copies, which cost about \$14 each, to the libraries in order that citizens of Torrance might have easy access to the reference material.
